Dear Sir:

Re: Supplementary Information Requested.

You requested information on members of APPPA in relation to audits / investigations. The following list is the names of senior leaders of APPPA who have been audited / investigated in and around 2004 and in the following years. All of these providers were at the time were regulation providers not EPN contractors.

- Cameron Green
- Karen Sutton / Jordan Salesa (same clinic)
- Malcolm Hood
- Murray Hing
- Chris LaPine
- Graeme Hayhow

APPPA is also aware of several other APPPA members who have been audited / investigated (in similar manners) but specifically requested their names not be part of any public forum.

We hope this information assists you in your deliberations and subsequent decisions.

Sincerely,

Jordan Salesa, President, APPPA
